### **Song Lab Saturday presents INNER VALKYRIE: Learn to sing OPERA!**

with Karma Raines

How does opera sound so loud and powerful? Can I sing like that? YES! This is a silly, fun workshop but also loaded with technique, so you can understand the technical "Rules" of opera, based in Science!

This workshop will cover technical aspects of singing Opera, with the foundation of (all styles of singing) technique, anatomy and physiology, singing examples, and auditive analysis of operas. We will sing parts of some well known opera tunes, including Wagner's Valkyrie!
