WOMEN OF MARIN

Join Us On June 8, 2021

Our last 'zoom' speaker before returning to in-person meetings features Jasti Burns! She will offer us 'Strategies to Guide and Inspire ~ The 3 Steps to Awaken Your Passion'

***The quality of our lives is found in meaning.
Life is not the challenges that we face,
but rather the meaning we give to those challenges.***

***Added to this are the emotions we experience which fuel our lives.
The quality of our experiences depends on the quality of our emotions.
When one is unhappy, change will not occur by accident or luck.***

In this informative talk, Jasti will cover the five principles that govern our lives. She will also share strategies to create a conscious and positive change when dealing with the undeniable fact that life is constantly changing and we are constantly growing. This is a NOT to be missed talk!
