

NETWORKING ENTREPRENEURIAL WOMEN OF MARIN

OCTOBER 2021

Dear NEWofMarin Members ~
Based on the continuation of mask mandates and gatherings of folks in close proximity exacerbating the Delta variant, we will continue meeting on ZOOM... at least for now. We appreciate your continued support, both of one another and to our group.
Andrea Devaux, NEWofMarin President

This Month's Zoom Speaker

**Tuesday, October
12th – 6pm to 8pm**

**Lori Frugoli,
District Attorney,
Marin County presents
'Honoring Diversity in
our Community –
Embracing the power
of collaboration'**

As business owners we sometimes struggle to reach a diverse variety of clients and associates. This often leads to blind spots, limiting our perspectives to how we do business and who we are attracting. In

this informative talk, Marin County's District Attorney, Lori Frugoli will share some of the insights that she and her team have learned and incorporated into creating a more diverse and inclusive community: a community where collaboration, listening and empowering voices and views takes precedence. These practices have taken the relationship between community and local government to a whole new level.
