

NETWORKING ENTREPRENEURIAL WOMEN OF MARIN

January 2022

Dear NEWofMarin Members ~
Based on the continuation of mask mandates & gatherings of folks in close proximity exacerbating the omicron variant, we will be meeting on ZOOM in January. The good news is we do get to see each other's faces AND we have an awesome speaker!

Andrea Devaux, NEWofMarin President

This Month's Zoom Speaker

**Tuesday, January 11th –
6pm to 8pm**

**'The Hidden Secrets of
Volunteering – How
volunteering helps you live
longer and helps you
advance your career'
with Andrea Lloyd**

Volunteers are an essential part of the nonprofit eco-system.

From board members to reading buddies, over 63 million adults volunteer each year in the US valued at \$1.8 billion. The pandemic has taken a toll on our community: emotionally,

socially, economically. One way to bring people back together and solve social issues is through volunteering. Now more than ever, nonprofits need support providing essential services including food banks, suicide prevention, and seniors. Your unique skills, flexible schedules, and compassion are exactly what nonprofits are seeking.

Do you volunteer? If not, you could be risking your health. At this event, we'll discuss how volunteering helps you live longer, connect with yourself and your community, and advance your career.
